Manufacture information	
Manufacture date	404
Part number	0275007025
Serial number	42008 0880
Hardware version	0.0.3.0
Software version	1.2.0.0
Application ID	003500
Bike configuration parameters	
Manufacture date	2014-05-05
Manufacture location	1
ID number	AS13096220
Highest gear ratio	1.64
Lowest gear ratio	0.50
Wheel size circumference	2185 mm
Wheel size correction	2185 mm
Light switch status	Disabled
Walk assistance	Disabled
Lifetime information	
Odometer	44.1 km
Total active operating time (with assistance)	1 h
Total passive operating time (without assistance)	6 h
Bike information	
eBike product line	Performance Line
Component type	
eBike type	
Max. speed for assistance	32.19 km/h
